ABOUT US

ROYAL BRASS PRODUCTS

Exquisite Craftsmanship

At **ROYAL BRASS PRODUCTS,** we are committed to delivering quality brass fittings and precision-engineered connection solutions for diverse industrial and commercial applications. With a focus on craftsmanship, reliability, and customer satisfaction, we aim to provide products that meet the evolving needs of our customers.

Our product range includes **BRASS GARDEN HOSE BARB FITTINGS, PNEUMATIC PUSH-IN TUBE FITTINGS, PU FITTINGS, BRASS COMPRESSION FITTINGS,** and Pipe Fittings. We emphasize precision manufacturing, dependable performance, and consistent product quality to support a wide range of applications.

OUR MISSION

To provide reliable, high-quality brass fittings and connection solutions through precision, continuous improvement, and customer-focused service.

OUR VISION

To build lasting partnerships and become a trusted name in brass fittings through quality, innovation, and excellence in craftsmanship.

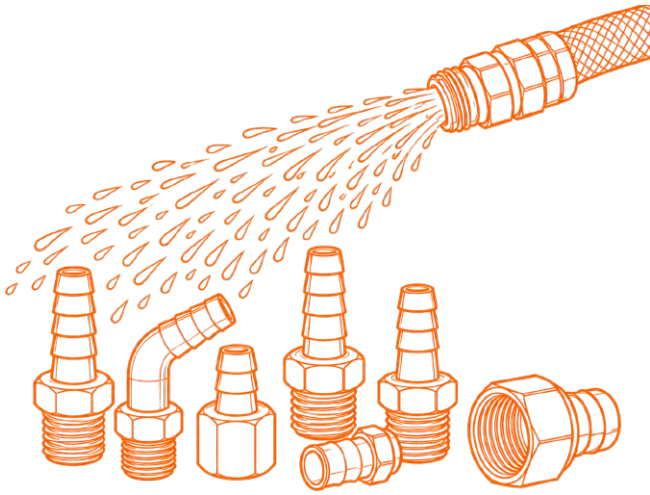

WHY CHOOSE ROYAL BRASS PRODUCTS?

- A diverse range of brass and pneumatic fittings
- Attention to detail and finishing
- Multiple thread and connection options
- Flexible packaging solutions
- Custom requirements and pricing available on request

World-Class Brass Components

Brass Garden
Hose Barb Fittings

Royal Brass Products offers a range of brass garden hose barb fittings designed to connect flexible hoses with compatible threaded ports, pipes and other hose connections for water-transfer and general-purpose fluid-handling applications.

Markets

- Garden Irrigation
- Plumbing and Water Transfer
- Agricultural Equipment
- Industrial Washdown
- Fluid-Handling Equipment

Applications

- Garden watering systems
- Water-transfer hoses
- Irrigation equipment
- Washdown systems
- General-purpose water connections

Features and Benefits

- Brass construction in specified material grades
- Hose barb connections for compatible flexible hoses
- Available in selected straight, elbow and adapter configurations
- Multiple hose diameters and threaded connection options, as specified
- Customised packaging and order quantities available upon request

Thread and Connection Options

- BSPP (G) — Parallel pipe threads
- BSPT (R) — Tapered pipe threads
- NPT — Tapered pipe threads
- GHT/NH — North American garden hose thread, where applicable

Technical Note:

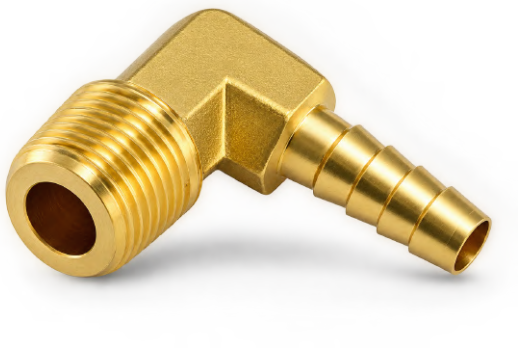

Hose inside diameter, thread specification, sealing arrangement, material grade and working-pressure limits are product-specific and should be confirmed before ordering.
